E. E. Munro, Esq.,
17 Dearbourne Avenue,
Toronto.

Dear Mr. Munro:

I am very glad to send you a short note in support of your candidature for the Principalship of the new High School in Westmount. I note that you will be successful in your candidature, as I feel sure from what I have both seen of you and heard of your work that by your energy and attainments you will be able to do most effective work in such a position. I should judge also that your intercourse with your fellow teachers will have been a great advantage to you, while the confidence that they have shown in you again and again in electing you to a responsible position in the Schoolmen's Club is a proof that you hold the respect of those who know you best.

With kind regards, I am,

Yours sincerely,

President.
